# SHARE A NIGHT. SHARE YOUR HEART

Share A Night fund is a program that allows your generous gift to go to a family that can't afford our donation fee of \$20 per night. The average family contributes less than \$5.00, the House then makes up the difference through donations. No family is ever turned away due to their inability to pay and you can make a difference by allowing parents and children to focus on getting well together, during this difficult time in their lives.
