VOLUNTEERS

Become a **VOLUNTEER** at the Ronald McDonald House and help us keep families together! Our volunteers play a vital role in the day-to-day operations of the house. Whether you are looking for individual commitment or a group opportunity, there are dozens of ways you can make a difference at “The House That Love Built”®

WAYS TO VOLUNTEER

We recognize that everyone has different talents and different schedules. Fortunately, we have several different types of volunteering so there's something for everyone:

TEENS AND STUDENTS

Our Volunteer Program is a great way for students who wish to gain experience in several fields of interest, from community and social service, non-profit management, hospitality, administrative assistance, and event planning to name a few. There are many opportunities year-round for students of all grade levels and college.

IN-HOUSE AND OFFICE SUPPORT

This is one of the primary volunteer opportunities. Volunteers help to staff the Front Desk serving as support in the operation of the House. This may require answering phone, greeting, processing of merchandise and monetary donations, and other duties.

ADOPT-A-MEAL PROGRAM

Our families spend all day in the hospital leaving no time on their hands for a home-cooked meal. Volunteers can help by providing a home-cooked meal in our fully-equipped kitchen or BBQ grill, have the meal delivered/catered by a restaurant or grocery store or donate \$175 for the House to provide a meal.

FUNDRAISING EVENTS

Volunteers can participate or may organize an event of their own! Some examples include: Bake Sales, Car Wash, Raffles, Fundraising Dinners, Networking Events, or a Wish List Drive at work!

CORPORATE

Increase your donation by matching your gift! If your employer or company has a matching gift program, consider Ronald McDonald House as your designated charity. Some companies will also match an individual employee's volunteer services with a financial contribution to the organization for whom their employees volunteer.

SERVICE PROJECT

Just with any home, it takes a lot of helping hands to keep the Ronald McDonald House tidy and neat. We welcome volunteer groups that are interested in performing service projects, such as house decorations on special holidays, painting and repairing the House! As well as arts & crafts activities for the families!

THERAPY DOGS

Coming home to a furry friend with a wagging tail helps create a sense of normalcy and home-like atmosphere for our children and families. We welcome volunteers and their registered therapy dog to help bring comfort to families during the most difficult times.

HOW DO I GET STARTED?
